

CS-310

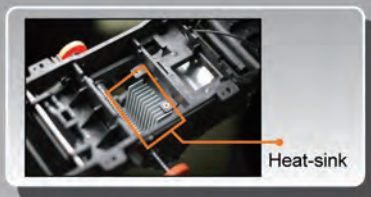

HiTi Card Printer

Photo Quality Single-Sided Card Printer
with Amazing Value

Photo Realistic Quality

Retransfer Color Performance at
Direct Print to Card Technology

Design for Durability

Free Bundle Software

Enrichment Color Performance

- High definition dye-sublimation thermal transfer technology
- Up to 16.7 million colors in continuous tone
- World-leading HiTi Color technology provides photo realistic quality on every print

High Reliability and Durability

- High speed single-sided, color or monochrome card printing
- Allow continuous printing without duty cycle control
- Ribbon breakage protection technology

Versatile Module Design

- Embedded contact smart card encoding module
- Optional contactless smart card encoding module
- Optional magnetic stripe card encoder module is only available at request (high-co / low-co & 4000 oe)*

*The magnetic stripe module must be factory installed, please specify when ordering.

Easy-to-Use Features

- Two-line and multi-language LCM display with printer status and operation command and option display
- Included bundle software supports customized templates and batch printing management
- Smart chip embedded for consumable identification and counterfeit ribbon prevention
- New consumables packing design reduces the logistic expense

Warranty*

- 2 years unlimited passes printer mechanical and chassis warranty
- 1 years unlimited passes thermal print head warranty

*Warranty terms and conditions may vary by regions.
